PARTNERSHIP SCHOOLS – SCHOOL PLAN

School: **QUINNS BAPTIST COLLEGE**

Year: **2010**

The purpose of this School Plan is to document the improvement work supported by the National Partnership Agreement on Literacy and Numeracy.

Funding provided by the Australian Government through the Smarter Schools National Partnerships is complemented by co-investment by the Western Australian education sectors and schools. Together, this funding is designed to build the capacity of Western Australian schools to contribute to the achievement of the following high level outcomes:

- (a) all children are engaged in and benefiting from schooling;
- (b) young people are meeting basic literacy and numeracy standards, and overall levels of literacy and numeracy achievement are improving;
- (c) Australian students excel by international standards;
- (d) schooling promotes the social inclusion and reduces the educational disadvantage of children, especially Indigenous children; and
- (e) young people make a successful transition from school to work and further study.
